

Fire Bird V robots are now being used by more than 60 research organisations in INDIA and abroad.

Following are the few of the users of our robots.

Fire Bird Robot deployment in Research Organisations :

IIT Bombay, Department of Computer Science and Engineering
IIT Bombay, Department of Aerospace Engineering
IIT Delhi, Department of Computer Science and Engineering
IIT Patna, Department of Mechanical Engineering
Roche, Switzerland

TIFR (Tata Institute of Fundamental Research)
DRDO (Defence Research and Development Organisation)
Indian Army's Centre for Excellence in Robotics
CEERI (Central Electronics Engineering Research Institute)
National Council for Science Museums
WIPRO Technologies

Fire Bird robot deployment in courses

Post Graduate Embedded Systems course CS684 offered by Department of Computer Science and Engineering, IIT Bombay

Under Graduate Embedded Systems course CS308 offered by Department of Computer Science and Engineering, IIT Bombay
